FIRST COMMUNION

The wonders of aging with dignity . . . In our aging society, there is an ever-greater demand for support and services to help seniors live independently in the community as long as they can. And when that is no longer possible, they deserve the opportunity to live out their lives with dignity. More than 45,000 seniors in the GTA took advantage of programs and services offered by ShareLife agencies in 2009, enjoying the wonder-filled benefits of recreation, education and social interaction. In addition, 3,400 seniors in need of more personalized attention received in-residence services through ShareLife agencies.

Today is the 2nd ShareLife Collection
Your support will sustain the work ShareLife agencies do to address the needs of those seeking help and care.
You can work WONDERS!

"Polish Exiles"

Ideas The deaths of Lech Kaczynski, the president of Poland, and many other officials in an airplane accident has reminded the world once again of the tragic history of that country. In this week's IDEAS, Hanna Czuma comments on one episode of this sad story, the deportation by the Russians of tens of thousands of Poles to Kazakhstan in 1935-36.
