The wonders of self-sufficiency . . . Few places in the world are as culturally diverse as the Greater Toronto Area. 30% of all recent immigrants to Canada reside in Toronto, with about 55,000 immigrants settling in this area every year. Adapting to their new home is no simple task. They need guidance and support as they work to settle into Canadian society. Last year, ShareLife agencies assisted 37,225 newly arrived immigrants and refugees in the GTA, helping them on their way to become productive and self-sufficient residents.
