**The wonders of compassion . . .** Scared, uncertain and alone. Pregnant young women reach out for comfort, support and guidance as they struggle with options and worry about the future. Our ShareLife agencies provided counselling, support and community education to more than 31,000 young people last year — offering personal and group counselling to 1,744 pregnant youth and young mothers who turned to them for help. Through professional, compassionate care, ShareLife agencies work wonders in the lives of these young mothers, giving them and their children hope of a brighter future.

**Today is the 3<sup>rd</sup> ShareLife Collection

Together we can work WONDERS!**

**"Inter-Religious Dialogue"**

**Ideas**

On May 6, at the synagogue Temple Sinai, the annual interfaith dinner brought together Christians, Jews and Muslims. The program included statements about the principles of inter-religious dialogue. This week's IDEAS presents a sampling of four these statements, which exhibit the differences as well as the commonalities of the various faiths.
