"The Limitations of Science"

Ideas Living in a scientific age, we are justly proud of developments in medicine, in technology, and in communication that have revolutionized our ways of thinking and living. These striking advances, however, can tempt us to think that the scientific method provides the only avenue to truth. See this week's IDEAS for another view. **CATHOLIC EDUCATION SIGN-UP SUNDAY:
ARE YOU A SUPPORTER OF PUBLICLY-FUNDED
CATHOLIC SCHOOLS?**

Archbishop Collins has asked that this weekend be designated as Catholic Education "Sign Up Sunday" in all parishes. We invite all parishioners to designate their support of the Catholic school system on their property tax assessment. Our parish lies within the boundaries of the Toronto Catholic District School Board. You may not be aware that if you move, your assessment status defaults to that of a public ratepayer. Your support helps to maintain an accurate registry of Catholic ratepayers, determine the number of Catholic trustees to govern our schools, and, most importantly, allows you to participate in the voting to elect School Board Trustees. The next election will take place this October in municipalities throughout our Archdiocese.

Materials are available at the back of the church this weekend to help provide a step-by-step process to ensure you are registered as a Catholic school supporter. Thank you for your ongoing support of Catholic Education.

**MARYGROVE CAMP
SECOND COLLECTION NEXT WEEKEND**

Marygrove Camp is a residential camp situated on 39 acres of beautifully treed grounds and a quarter mile of Georgian Bay waterfront, near Penetang, Ontario. The camp is open to eligible girls, ages 5 – 13, and provides an 8-day camping experience to over 1,000 children who may not otherwise have the opportunity to enjoy a camping adventure. Families experiencing financial or domestic hardship may contact the Society of St. Vincent de Paul to determine their eligibility. Each camper's holiday is fully subsidized through the generous support of an annual Camp Collection held in parishes throughout the Archdiocese of Toronto. Campers participate in a full range of activities, including swimming, canoeing, crafts, drama, sports, co-operative games, hikes, star gazing and camp fires.

ANOTHER SORT OF BABY SHOWER:

The Sisters of Life honour the sacredness of life by helping pregnant women bear and care for their children. On **June 19** the Sisters will hold a "shower" to provide items for these babies: diapers, formula, baby clothes, blankets, etc. The event begins at **1:30 p.m.** with adoration and a rosary in the church, followed by the "shower" in the parish hall and a short talk by Sister Catherine. A light lunch will be served. Everyone is welcome.

The total amount collected in our ShareLife campaign amounted to \$120,300! The entire Archdiocese will benefit from your generous support of the many worthwhile initiatives undertaken under the ShareLife umbrella. Thank you, and thank you again.

CATHOLIC YOUTH LEADERSHIP CAMP 6 DAYS FOR \$25!

Do you know any girls or boys between 16-18 who have the qualities of a Young Catholic Leader? The Knights of Columbus 17th annual Catholic Youth Leadership Camp will take place from August 29 - September 3, at Fraser Lake Camp, Bancroft (busing/transportation will be provided at various locations).

Under the theme of "What Must I Do" the camp will develop physical, intellectual and spiritual talents to reveal the gifts that the campers possess, and through these gifts, what they are called to contribute.
